# Our testimonials

## **Pierre Ammoun :**

Was apprehensive about taking the course, it turned out to be an eye-opener!  
Explanation by relevant examples with role-play were extremely helpful to understand the concepts. As for the scope of the course, the amount of details covered and how it can be applied in real scenarios is positively scaring! I Highly recommend this course.

**Pierre Ammoun**  
CEO of PCS, Lebanon

## **Emad ElShorbagy :**

The feedback from the attendees was more than perfect, also the organization of the whole process was flawless  
FCA highly recommends BBL for their training services

**Emad ElShorbagy**  
After-Sales Senior Manager
